

DAYCARE

Owner:
St. Andrew's School

Project Location:
Middletown, DE

Size:
4,000 SF

Building Use:
Daycare

Delivery System:
Design/Build

Project Completion:
2005

Architect:
The Breckstone Group

Description:
This new Daycare Facility for St. Andrew's School was designed to tie into its agricultural surroundings. The construction, however, was done using very economical methods and materials. The building is a slab-on-grade, wood framed structure with vinyl siding and an asphalt shingle roof.
