

## DOWN'S OUTBUILDING

**Owner/User:**  
Tom Downs

**Project Location:**  
Landenberg, Pennsylvania

**Size:**  
2,400 SF Facility

**Building Use:**  
Agricultural Storage

**Delivery System:**  
Design/Build

**Project Completion:**  
2002

**Description:**

The Downs' new outbuilding is a pre-engineered metal building located on a horse farm in southeastern Pennsylvania. It will serve as the primary support space for the future barn and stable.

The building spans forty feet to allow for ample equipment storage. The program also included space for a second floor office, mezzanine storage, and wood shop.
