

# WOODY'S RE-ROOF

**Owner:**  
Woody's Crab House

**Project Location:**  
North East, MD

**Size:**  
3,700 SF

**Cost:**  
\$ 45,000

**Building Use:**  
Restaurant

**Delivery System:**  
Negotiated

**Project Completion:**  
2010

**Description:**  
Installation of a new metal roof system over an existing EPDM roof that had failed. The system was composed of continuously length roof panels, structural sub framing, new insulation, roof curbs for new mechanical equipment, flashings, fasteners and gutters & downspouts.
