

Wilmington HOPE Commission Retrofit Reroof

Owner:
Wilmington HOPE Commission

Project Location:
Wilmington, DE

Size:
8,850 SF

Cost:
\$35K - Project

Building Use:
Maintenance & Repair

Delivery System:
Design/Build

Project Completion:
2015

Description:
Complete reroof of the existing facility using a retrofit metal roof system. The "Retro-R" roof system was installed directly over the existing metal roof, providing the owner with a new roof system without the need to tear off the existing roof. The reroof encompassed the "Retro-R" roof panels, trim and flashings to tie-in to the existing walls, repairs to the existing gutters and downspouts and an EPDM parapet sheathing.
