

RISING SUN FIRE STATION #8

Owner/User:
Community Fire Company of
Rising Sun

Project Location:
Rising Sun, Maryland

Size:
24,700 SF

Building Use:
Public Safety

Delivery System:
Bid

Project Completion:
1992

Architect:
Probst -Mason Inc.
Architects

Description:
Construction of the new facility consisted of seven apparatus bays, a turnout room, lounge, classroom, and all necessary support spaces for the fire house.

In addition to the fire house, the project provided a 6,100 sf banquet room equipped with full commercial kitchen, toilet rooms, and double vestibules.
