

NATATORIUM

Owner/User:
Benedictine School

Project Location:
Ridgely, Maryland

Size:
14,000 SF

Building Use:
Physical Therapy, Administrative Office
Space

Delivery System:
Design/Bid/Build

Architect:
Gregory D. Torchio
Architects

Completion Date:
2003

Description:
The new natatorium was designed to enclose a full size swimming pool as well as a smaller therapeutic pool. A new wing of administrative office space was also incorporated into this project.

The main structure is a pre-engineered steel building with a brick exterior. Large amounts of glazing and a pent-house allow for a great deal of natural light to enter the space.
