

CUSTOM HOME

Owner:
Private Residence

Project Location:
North East, MD

Size:
7,500 SF

Cost:
\$1.2M - Project

Building Use:
Residential

Delivery System:
Design/Build

Project Completion:
1990

Description:

An historic plantation reproduction, this home was conventionally built with wood frame construction and a brick veneer. The house is detailed with classical millwork details including dentil block moulding, 30" diameter doric wooden columns, and various raked cornices to list a few.
