

## FARM RESIDENCES 1 AND 2

**Owner:**

St. Andrew's School

**Project Location:**

Middletown, Delaware

**Size:**

Residence #1 - 3,400 SF

Residence #2 - 3,400 SF

**Building Use:**

Residential

**Delivery System:**

Design/Build

**Project Completion:**

Residence #1 - 2001

Residence #2 - 2002

**Architect:**

Richard Conway Meyer

Architect

**Description:**

Both residences were constructed economically with modest materials and still successfully fit into the farm context at St. Andrew's School.

Both houses are built of wood frame type construction, vinyl siding, & asphalt shingle roofs. They contain full basements and both have modern interiors with wood floors.
