72,000 SF

Cost:
\$7.17 M

Building Use:
Multi-Family Residential

Delivery System:
Construction Management

Project Completion:
2020

Architect:
Tevebaugh Associates

Description:
Nowland Associates was hired by the Washington House Condominium Association to perform significant repairs and restoration to their existing building.

The scope primarily included the complete removal and replacement of building's exterior veneer stone and brick cladding, weather resistive barriers, flashings, etc.

The project spanned several years and multiple phases. Throughout the duration of the project, the residences remained fully occupied.
