

DURIGG PLAZA

Owner/User:
West Nottingham
Academy

Project Location:
Colora, Maryland

Building Use:
Boarding School
Dormitory

Delivery System:
Design/Build

Architect:
Bernardon, Haber, Holloway
Architects, PC

Project Completion:
2007

Description:
The Durigg Plaza project was created as part of the school's master plan to help tie several of the buildings to a common gather place. The construction primarily included masonry sidewalks, retaining walls accessibility and landscaping elements.
