

Safety and Health Officer Responsibility

Program Responsibility: The company Safety Officer is solely responsible for all managerial facets of this program and has full authority to make necessary decisions to ensure the success of the program. Nowland Associates, Inc. also utilizes Safety Resources, LLC as a consulting firm for workplaces safety and OSHA compliance. They provide guidance on safety and health issues and provide routine job site inspections and training. Safety is also the responsibility of every employee of this company. The Safety Officer will develop written detailed instructions covering each of the basic elements in this program, and is the sole person authorized to amend these instructions. This company has expressly authorized the Safety Officer to halt any operation of the company where there is a danger of serious personal injury.
