Middletown, DE

Size:

3,200 SF (Each)

Cost:

\$1.4M

Building Use:

Academic / Faculty Residences

Delivery System:

Design/Build

Project Completion:

2023

Architect:

Nowland Associates, Inc.

Description:

The construction of Farm Residences #3 and #4 complete the small community of faculty housing overlooking adjacent farmland. Each house contains 3 bedrooms, a large open kitchen, living room and dining area, 2 1/2 baths, laundry and bonus room. Each residence also contains a screened in porch that faces a common exterior space and access to parking and charging station for electric vehicles.
