

GYMNASIUM RENOVATIONS—PHASE I

Owner:

St. Andrew's School

Project Location:

Middletown, Delaware

Cost:

\$1.3M - Project

Building Use:

Recreational

Delivery System:

Design/Build

Project Completion:

2008

Certification:

LEED Platinum (Projected)

Architect:

Voith & Mactavish
Architects LLP

Description:

The first phase of gymnasium renovations consisted of six new squash courts and several new fitness spaces. New openings were created throughout the existing stone building for circulation and to allow natural light to enter the renovated underground spaces.
