

## GYMNASIUM RENOVATIONS - PHASE II

**Owner:**

St. Andrew's School

**Project Location:**

Middletown, Delaware

**Cost:**

3.7M—Project

**Building Use:**

Recreational

**Delivery System:**

Design/Build

**Project Completion:**

2009

**Architect:**

Voith & Mactavish  
Architects LLP

**Description:**

The second phase of gymnasium renovations consisted of renovations to the main entrance providing accessibility to multiple levels. New openings in the stone walls were also created to allow large amounts of natural light to penetrate the below ground levels.
