

MATH & SCIENCE BUILDING

Owner:
Tower Hill School

Project Location:
Wilmington, DE

Size:
24,800 SF

Project Cost:
\$6.18M

Building Use:
Academic

Delivery System:
Construction Management

Project Completion:
2013

Architect:
Bernardon Haber Holloway, Architects

Description:
A new three story Math and Science facility was constructed in the middle of Tower Hill's active school campus. The building is home to state of the art classroom and laboratory spaces and connects to the adjacent Performing Arts Center via a second floor enclosed pedestrian foot-bridge.
