

CHATEAU BU-DE PERGOLA

Owner:

Chateau Bu-De Vineyard and Winery

Project Location:

Chesapeake City, MD

Cost:

\$140K - Project

Building Use:

Small Projects and Maintenance

Delivery System:

Negotiated

Project Completion:

2019

Description:

A new pergola covering approximately 75% of the existing patio area was designed and constructed providing shade for outdoor seating areas, and also to help minimize the sun glare in the existing tasting building. The pergola is constructed entirely out of western red cedar to tie into the existing facility.
