

ROOF ACCESS PENTHOUSE

Owner:
W.L. Gore and Associates

Project Location:
Elkton, Maryland

Cost:
\$34,000 - Project

Building Use:
Industrial & Warehouse

Delivery System:
Negotiated

Project Completion:
2013

Description:
An existing roof hatch was converted into a new roof access penthouse. Creating the new access involved fabrication of a new OSHA compliant stairway along with a weather enclosure at the roof level. The walls were constructed using insulated metal wall panels.
