

GYMNASIUM RENOVATIONS - PHASE II

Owner:

St. Andrew's School

Project Location:

Middletown, Delaware

Cost:

3.7M—Project

Building Use:

Recreational

Delivery System:

Design/Build

Project Completion:

2009

Architect:

Voith & Mactavish
Architects LLP

Description:

The second phase of gymnasium renovations consisted of renovations to the main entrance providing accessibility to multiple levels. New openings in the stone walls were also created to allow large amounts of natural light to penetrate the below ground levels.
