

CHILDCARE, YOUTH & SENIOR CENTER

Owner:
Union United
Methodist Church

Project Location:
Bear, Delaware

Size:
7,000 SF

Building Use:
Daycare/Education

Delivery System:
Design/Build

Project Completion:
2006

Description:
The new education wing contains nine classrooms, new office and conference space, a private chapel as well as bathrooms and ample storage space.

The new addition was designed to tie into the existing classical church architecture.

The childcare center also has a new drive up entrance and drop off, separating it from the rest of the church functions.
